Milan, the 12st of February 2016

OBJECT: REACH DECLARATION

Dear Sir,

We take this opportunity to inform you that regarding the European law REACH, none of the PLAFORIZATION® - ECOPHOR® products include any substance classified as C.M.R. class 1 or 2.

We would like also to inform you that all the raw materials used in those products:

- Are manufactured in Europe
- Have their own EINECS number

Moreover our suppliers informed us that they applied for the registration of these substances according to the REACH law.

We remain at your disposal for any question or further information you may need.

Best regards,

Carlo Guidetti
